

Dear Aaron, Matt, and Aileen,

Please accept this letter as formal notification that I am resigning from my position as Shift Lead at Culver's of Prescott, effective today, July 24th, 2026. My final day will be on or before August 7th, 2026.

I have thoroughly enjoyed my four years here. What started as a summer job to save money for college grew into a defining experience throughout my degree. Working here has shown me that I am capable of being a strong leader and pushed me to grow both personally and professionally.

Unfortunately, I never intended for this job to be my career. I have always had my sights set on going into tech. Now that this job has allowed me to pay for my college and I have opportunities to do what I love, I must plan for the future and resign from this location.

As I prepare to step into the tech industry and pursue my long-term career goals, I am deeply grateful that my time at Culver's helped make my education possible. I take great pride in having helped open this restaurant and look forward to seeing its continued success.

Thank you all for your guidance and support over the years. I wish you and the team all the best.

Respectfully,

Darius Coleman
